### Description:

As the owner of Interior Motiv, Cindy has been decorating over 15 years and is also certified in Home Staging and Redesign. She is the President of the North Texas Chapter of Interior Redesign Industry Specialists and is quickly becoming one of the most sought after Real Estate Stagers in the metroplex. She makes things appear easy while being an expert at color, organization and furniture placement.

Interior Motiv is unique in the industry because they use their own furniture instead of contracting with rental companies. This allows the opportunity to provide better quality furniture with no monthly minimums and at a very competitive price.

Interior Motiv will continue the quest for excellence in Interior Decorating trends, Real Estate market needs and Redesign challenges.
